Children in Need

The children Act 1989 defines a child 'in need' as:

- a) He/she is unlikely to achieve or maintain, or to have the opportunity of achieving or maintaining, a reasonable standard of health or development without the provision of services by the Local Authority under Part 3 of the Act.
- b) His/her help or development is likely to be significantly impaired, or further impaired, without the provision for him/her of such services.
- c) He/she is disabled.

In addition, Durham County Council has determined that children of families where English is not the main language of the family will be considered under this criterion.
