Information For Parents of Children Returning from 15th June

Dear Parents/Carers,

As you know we are hoping to start reopening the nursery gradually from 15th June. In nursery we are doing the following to keep your child safe:

- Frequent hand washing
- Playing mostly outside
- Small groups with no mixing between groups
- Snack in own individual bowl
- Disinfecting frequently touched surfaces throughout the day
- Disinfecting all used toys every day
- Reducing amount of toys, choices, removing soft furnishings etc.

When you arrive at nursery you need to follow social distancing rules:

- Walk down the zig zag path
- Stand 2m apart from other families
- Hand your child to a member of staff at the door
- Do not enter the nursery building
- Only 1 adult to come with each child
- No home toys

As a parent you can also help by:

- Dressing your child in newly washed, clean clothes each day
- Keeping your child at home if they, or anyone in your household has coronavirus symptoms, then keeping nursery informed
- Making sure we have up to date phone and contact numbers
- Keeping your phone switched on and available, as we will contact you if your child shows any symptoms, to take them home
- Reassuring your child that nursery will be a bit different but we will still have fun playing and learning

Thank you for your continued support.

Yours faithfully,

Mrs Jo Madgwick
Acting Headteacher
